# CINCINNATI TIMELINE

■ 1970s to 1990 – Poor academic outcomes, declining enrollment, exit of middle class from the city

■ 2001 – Cincinnati launched its community schools initiative

■ 2006 First community school coordinators hired

■ Lots of services with little coordination

■ 2004 – First community schools opened

**In August 2010, CPS became Ohio's 1st urban school district to earn an Effective rating.**
